## EP'S SUBSCRIPTION DONATION PROGRAM

RAISE AWARENESS AND  
RAISE MONEY FOR  
YOUR ORGANIZATION

EP's Subscription Donation Program is a great way for organizations and associations to provide an invaluable resource and raise money at the same time.

### How does the Subscription Donation Program work

EP provides your organization or association with a discounted subscription rate to EP magazine of \$30 per year - that's more than \$50 off newsstand rates! For anyone who subscribes to EP through your organization's efforts, we will donate \$5 of each new subscription to your organization.

EP can provide you with content and graphics information for your website, newsletter, and any other sources of information you share with your members and affiliates. This way, your members will have information available about EP's latest and most up-to-date efforts for the disabilities and special needs community on topics like treatment, equipment, sports and recreation, travel, mobility, education, and many more.

It's that simple.

Do you know someone who would benefit from the resources and support offered in EP magazine? This new program offers an opportunity to involve participants within your community in fundraising, special promotions and activities, while earning charity dollars. It is offered through the web and/or may be used in conjunction with other fundraising campaigns. EP invites you to participate.

For more information on the program, please fax this form to 814-361-3861 or contact Carol Wright-Burkett.
