

ANCORA IMPARO

In his 87th year, the artist Michelangelo (1475 -1564) is believed to have said, "Ancora imparo" — "I am still learning." Hence, the name for my monthly observations and comments. — Rick Rader, MD, Editor-in-Chief, EP Magazine

# EP Signs Proclamation in Tribute to the 20th Anniversary of the ADA

"It is fitting that in the year that EP is celebrating its 40th Anniversary that we also celebrate the 20th Anniversary of the signing of the Americans with Disabilities Act (ADA). Everyday EP embodies both the spirit and the purpose of this act, to insure that equality is afforded to every individual regardless of their skills, abilities and needed supports. We urge all organizations, groups and association to join us in signing onto this Proclamation." Rick Rader, MD, Editor in Chief, EP Magazine.
